Dear Sir or Madam:

Mark Elrod
Chase Commercial Realty

Thank you for supporting the mission of Make-A-Wish® Alabama. With hope, strength and joy, we are able to help the children of Alabama as they struggle through the trials of a life-threatening disease. Your donation is a difference maker helping us to grant wishes to every eligible child in our state. As we grow this chapter, we need your continued support. Your gift ensures children like Jacob can have special moments that embolden them in their struggle with disease.

Without saying a word, three year old Jacob has captured the hearts of many in his small Alabama town. Jacob, born with an extremely rare, inherited neurologic disorder, was greeted by dozens of relatives, friends and members of the local Fire Department, all celebrating Jacob's wish come true.

Jacob's condition causes his nervous system to deteriorate and swimming allows Jacob to stay active which helps his body curb his condition. Jacob's one true wish was to have his own therapy pool which helps him to relax and live as close to a normal life as possible. Make-A-Wish Alabama was able to work with our donors to provide this outstanding young man with his own therapy pool.
